## **South Ripley High School Class of 2020 Commencement Ceremony Rescheduled**

May 12, 2020

South Ripley Community School Corporation is announcing today that the Commencement Ceremony for the Class of 2020 has been postponed from the original date of May 30 due to circumstances surrounding the COVID-19 pandemic. The senior class sponsors have been in discussion with the class officers and, taking their input into consideration, we are committed to doing our best to try to provide an in-person ceremony to recognize the accomplishments of this graduating class.

Today we are announcing that the new date for graduation will be **Sunday, July 26, 2020 at 2:00 p.m.** at the South Ripley High School gym. It is our hope that this will be an in-person ceremony and that we will be able to provide each graduating senior with a specific number of tickets for family members to attend. We also plan to have a live stream of the ceremony available for those unable to attend in person.

We will be watching for additional guidance from Governor Holcomb in regard to his Back on Track Indiana plan to see what restrictions will be in place at that time. We will communicate additional details about the ceremony as we follow these guidelines and work with local health department officials to ensure a safe event for all involved. Please remember that the COVID-19 pandemic is an ever-changing situation and plans may need to be revised as circumstances dictate.

Further information will be provided to seniors and their families in the coming weeks. If you have additional questions, please contact South Ripley High School at 812-689-5303 or the Central Office at 812-689-6282.

*"South Ripley educates students today, to become responsible citizens of tomorrow."*
