March 19, 2020

Dear Parents and Guardians,

We sincerely thank you for your efforts in making eLearning successful this week. Our students, families, teachers, and staff have all pulled together and worked hard to continue learning in a time of crisis.

As a reminder, South Ripley Schools are on Spring Break next week, March 23-27. While this may not be a typical time of travel and leisure, it will allow us a break from school work and to take care of our families during this unusual time. Only our 260-day employees will be working over spring break.

Following spring break, in accordance with the guidance provided by Governor Holcomb today, South Ripley Schools will be closed March 30 - May 1, with a plan to implement eLearning days in combination with using allowed waiver days. We are planning for this combination to maximize eLearning instruction, to maintain consistency and keep student learning on track. Our plan for the next few weeks will be:

- March 23-27 - Spring Break - All buildings closed - No meal delivery
- March 30 - April 3 - No School - We will use 5 Waiver Days
  - Buildings open to employees only
  - Meals will be delivered
  - No eLearning assignments
- April 6 - April 10 - Combination of Waiver Days and eLearning Days and Good Friday
  - Monday - No School - Waiver Day
  - Tuesday, Wednesday, Thursday - eLearning Days
    - Buildings open to employees Monday - Thursday
    - Meals delivered Monday - Thursday
  - Friday - NO SCHOOL - Good Friday - No Meal Delivery

*"South Ripley educates students today, to become responsible citizens of tomorrow."*

- April 13 - May 1 - Combination of Waiver Days and eLearning Days for those 3 weeks
  - Mondays and Fridays - Waiver Days
  - Tuesdays, Wednesdays, Thursdays - eLearning Days
  - Additional Information
    - Monday - Friday - Offices and buildings are open to employees only
    - Meals will be delivered Monday - Friday each week except Good Friday

Please see the attached calendar containing the schedule.

All extracurricular activities and sports, including practices, up through May 1 are postponed or canceled. We will continue to watch changing circumstances before making a final decision on prom.

We are offering meal delivery to all South Ripley students FREE of charge according to the attached calendar. This also applies to younger siblings in the same household. If you have not already done so, I encourage you to click this [LINK](#) to sign up for our meal delivery service. You may also sign up by calling 812-689-5383 during office hours.

We will continue to monitor this ever-changing situation and guidance from federal, state and local officials to decide when it is safe to return to traditional schooling. This includes making a determination about other scheduled events later this spring. These decisions are contingent upon the longevity of the pandemic. Parents should be prepared for school closings to continue longer if necessary.

Continue to watch for weekly email updates from me for the latest on school plans. If you have questions, please call your child's school office.

Please visit the CDC's website for important information on what to do if you or your family member becomes sick with the virus: <https://www.cdc.gov/coronavirus/2019-ncov/about/steps-when-sick.html>

These recommendations may change based on new information during this outbreak. If you have any health related questions please contact your School Nurse or your healthcare provider.

Thank you for your understanding as we join together to keep our students, staff, and families safe and healthy during these uncertain circumstances. Please take care of yourselves.

Sincerely,

Robert D. Moorhead  
Superintendent
